

The « Sainte-Croix-du Verdon » lake by electric boat « L'Estelle »

The Bastide team suggests you to discover the beautiful lake « Sainte-Croix-sur-Verdon », one of the most beautiful lakes in Provence located at the base of the «Gorges du Verdon». With its vast and colorful landscapes, it offers a view on the hills of the «Haut-Var», the Valensole plateau, the Gorges du Verdon and becomes thus the ideal setting for any outdoor activity.

You can visit this staple location on board of a fully electric, silent, and environmental friendly boat nicknamed « L'Estelle » (star in Provençal) paying tribute to the one that twinkles over the village since the 17th century.

Located at only a few kilometers of the hotel, on the beautiful site of « La Cadeno », this boat will be your partner for magical moments on the water, from sunrise to sunset.
